

Junior Farm - the ideal place for quality 'Open Farm' learning, pre-school and Key Stage 1&2

Wroxham Barns Junior Farm gives children a chance to learn outside the classroom in a safe, fun atmosphere assisted by our well-trained and friendly staff. Our facilities are maintained to a high standard with cleanliness and hygiene being paramount.

The farm provides opportunities for learning that relate to living things in the environment. Topics can be developed in the classroom after farm visits, as the children will remember the hands-on activities and animals they have seen. Visits are suitable for Pre-school as well as Key Stages 1 & 2.

The groups are guided by Countryside Education Visit Accredited Scheme (CEVAS) staff who will cater the activities to your individual requirements.

Teachers and helpers can book a pre-visit, which includes a tour of the farm and complimentary tea and cakes for two in our Restaurant Café.

Junior Farm is open all year round and offers excellent value for money. To book a pre-visit or gain further information, please call 01603 783762.

We look forward to hearing from you.

Eileen Calverley, Farm Manager

Ian Russell MBE, Director

Additional child friendly attractions!
We have an 18 hole Mini Adventure Golf course and children's funfair (seasonal openings, please check) plus working craft studios.

Junior Farm

Hand reared and very hands on

Educational Visits

Pre-school and Key Stage 1&2

Wroxham Barns Junior Farm gives children a chance to learn outside the classroom in a safe, friendly, fun environment assisted by our well-trained, accredited staff.

Now your school can enjoy the delights of farm life in a safe and friendly environment

- Three-acre children's farm, full of friendly animals
- A wide selection of mammals and birds, including cows, goats, ponies, sheep, pigs, donkeys, ducks, chickens, geese, turkeys, rabbits, & guinea pigs
- Three large animal barns, animal nursery, piggery, seven paddocks and pond
- Outside seating and purpose-built school barn for lunch
- Field play area
- A free bag of animal feed for each child
- Introductory talk included for parties of ten or more

Activities include: bottlefeeding lambs or calves (depending on the season); collecting eggs; holding chicks, guinea pigs and rabbits; feeding ducks, geese and swans; feeding and stroking all the other farm animals.

- Pre-visits are free and include a refreshment voucher *Please arrange with us in advance*
- Risk assessments for all activities are provided (you can download risk assessment and 'Open Farm' Visits information by visiting www.wroxhambarns.co.uk)
